High School Diplomas Regular.....	16	Contracted Operation	
Other Completions*	0		

* Certificates of Completion issued by the district

** Limited English Proficient (LEP)

Superintendent's Highlights

The Meadows Valley School Board continues the process of being highly involved in State and local issues regarding education. The Board hosted a candidate's forum for district and state prospective legislators. The district initiated the CORE Knowledge Curriculum in Pre-school through grade 8. The response from students, teachers, and staff regarding the new curriculum has been positive. The additional funding provided by the State has provided the necessary resources for administrators and teachers to focus on aligning the taught curriculum with the State Standards. Teachers and administrators are becoming more proficient in using student performance data to improve instruction and develop School Improvement Plans.

Progress Towards Meeting District Goals

2001-02 Goals

By the end of the 2004 school year all students in the Meadows Valley School District will score above the State of Idaho averages in all academic areas as measured by the Fall 2002 ITBS and/or other State approved assessment measures.

The Meadows Valley School Board will adopt a meaningful teacher evaluation system by August 2002.

The Meadows Valley School District will adopt a Play Field Master Plan by May of 2002.

Progress

School administrators and staff have begun the process of using student performance data to make instructional decisions that will assist in achieving the district goals.

Administrators will present a Teacher Evaluation and Improvement model to the School Board for adoption in August, to be implemented in the Fall of 2002.

The district has made significant progress in making necessary play field modifications. The board will continue to work on a play field Master Plan for future development.
